Applicant Name: Wounded Knee District School
Billed Entity Number 66539
Form 471 Application Number: 538432
Funding Request Number: 1491255
Applicant's Form Identifier: wkds007
Decision Letter Date: May 11, 2006
Date Appeal Postmarked: July 17, 2006

Attached you will find correspondence we received from USAC/Schools & Libraries Division

WE submitted a letter of appeal then received a Remand Coorection Deadline Letter on July 14, 2006, that states that if our staus is certified -out of window that we should take no action and our form will be processed. It is the deadline for the 486 and we had not heard from USAC then we received the administrator's decision on appeal.

We took no action as was stated in the july 14, 2006 letter and now we are denied because we appealed late, should the appeal letter be voided as the july 14 letter said we are considered certified in window.
Please assist us in resolving this situation.

We would also need an extention on submitted any forms as we were not sure what the next step was.

Schools & Libraries**REMAND CORRECTION DEADLINE LETTER****July 14, 2006**

Funding Year 2006 applicants can correct certain ministerial and clerical errors on FY2006 Forms 470 and Forms 471 and/or can file required certifications, even if they have already received a funding commitment or a funding denial for FY2006.

Who is eligible to request corrections?

To be eligible to submit requests for correcting program forms, you must meet both of the following conditions:

1. Had a Form 470 posted to the USAC website on or before January 19, 2006 AND
2. Submitted a Form 471 for Funding Year 2006 that was received by USAC or postmarked by 11:59 p.m. EST on February 16, 2006 — even if this form failed to meet Minimum Processing Standards, was not certified, was certified outside the window, or has already been issued a Funding Commitment Decision Letter.

What is the deadline for submitting a correction?

You have 15 days to submit your corrections and/or certifications. Your deadline for submitting allowable corrections will be calculated as follows:

1. If you are actively working with PIA on an application under review, your deadline is August 2, 2006, which is 20 days from the date of this letter. (Applicants have 15 days after they receive this letter to submit corrections, and USAC presumes that they have received this letter five days after it is postmarked.)
2. If you update your contact information or begin to actively work with PIA on the review of your application, your countdown starts when PIA informs you that you have 15 days to respond to its request for information.
3. If you are unavailable during the summer (i.e., if PIA cannot make a successful two-way contact) or if USAC has already issued a Funding Commitment Decision Letter for your application, your 15 days starts on September 12, 2006, shortly after the summer period for suspending the 15-day "Deadline for Information Requests" ends. **You must submit your corrections on or before September 26, 2006.**

How should I prepare to submit a correction?

1. Review the "List of Correctable Ministerial and Clerical Errors" posted on the website to be sure that the correction you want to make is allowable.
2. If your form failed to meet Minimum Processing Standards, review the letter sent by USAC with your returned form. That letter details all of the errors that caused USAC to return your form.
3. **If the status of your form is Certified – Out Of Window, no action is necessary on your part.** USAC will change the status of your form to Certified – In Window and begin the review process for your form.
 - a. To find the certification status of a Form 470, go to the Apply Online area of the website and display your Form 470 using the Form 470 Search Posted function. If the entry in "Certification Received Date" is after January 19, 2006, USAC considers that Form 470 to be Certified Out-Of-Window.
 - b. To find the certification status of a Form 471, go the Apply Online area of the website and find your form with the Form 471 Application Status tool or display your form using the Form 471 Display function. You can then see if the status of the form is Certified Out-Of-Window.

How do I submit a correction?

1. To correct an error on a form or certification that was rejected for failing to meet Minimum Processing Standards:
 - Make a copy of your form or certification and your rejection letter.
 - Mark your corrections on the form or certification.
 - Submit both the corrections and the letter to USAC. If you prefer, you can also send in a new certification.
 - Be sure to include your Entity Number, Applicant's Form Identifier, Contact Person Name, Contact Telephone Number and, if you have it, your Form 470 or 471 Application Number.
 - **DO NOT certify your form online, because the system will automatically send an Out-of-Window letter and USAC may not realize that you have certified your form.**
2. To submit a missing certification:
 - Print a copy of your certification page OR print a new certification page and mark the appropriate boxes
 - Fill in the other requested information.
 - Sign and date the certification
 - Submit the certification to USAC.
 - Be sure to include your Entity Number, Applicant's Form Identifier, Contact Person Name, Contact Telephone Number and, if you have it, your Form 470 or 471 Application Number.
 - **DO NOT certify your form online, because the system will automatically send an Out-of-Window letter and USAC may not realize that you have certified your form.**

NOTE: If you submitted a certification but the status of your form is not Certified, you should submit a new certification.

- To find the certification status of a Form 470, go to the Apply Online area of the website and display your Form 470 using the Form 470 Search Posted function. If there is no entry in "Certification Received Date," USAC does not consider that Form 470 to be Certified.
 - To find the certification status of a Form 471, go the Apply Online area of the website and find your form with the Form 471 Application Status tool or display your form using the Form 471 Display function. If the status of your form is Complete, USAC does not consider that Form 471 to be Certified.
3. To correct other ministerial or clerical errors:
- Make a copy of your form. You can use a copy of the form you originally submitted or you can print a copy of your form using the Form 471 Application Display tool in the Search Tools area of the USAC website.
 - Mark your corrections on the copy.
 - Submit the corrected version to USAC.

Where do I submit my corrections?

1. Write "FCC 06-54 Corrections" at the top of every page to clearly identify your request.
2. Write your Form 470 or Form 471 Application Number at the top of every page.
3. Submit your request as follows:

Your Correspondence Received:	July 17, 2006

Our records show that your appeal was postmarked more than 60 days after the date your Form 471 Postmarked Outside of Window Letter was issued, as shown above. Federal Communications Commission (FCC) rules require applicants to postmark appeals within 60 days of the date on the decision letter being appealed. FCC rules do not permit the Universal Service Administrative Company (USAC) to consider your appeal.

If you believe there is a basis for further examination of your application, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be POSTMARKED within 60 days of the above date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau.
